Code of Conduct

As a school community, we recognise that positive relationships are the key to development and progress. The 'Believing in Butterflies' strands place girls at the centre of all we do at the Prep School.

Take care of the little things

- I treat everyone with respect.
- I am polite and consider everyone's feelings.
- I know that my choices can affect others.
- I am kind in my words and actions so that everyone feels safe.
- I am part of a community where any form of bullying is unacceptable.
- I have respect for my school environment.

Grow a little every day

- I am confident to be myself and encourage others to do the same.
- I respect people's differences, whether physical, social, racial or religious.
- I am friendly and inclusive.
- I understand that everyone makes mistakes.
- I believe in offering people a fresh start.

Be bold, be brave and spread your wings

- I will make the most of the opportunities offered to me.
- I will always try my best.
- I am trustworthy and reliable.
- I understand that privileges are earned.

This Code of Conduct was discussed and agreed by Prep School staff and the members of School Council.
